Important information about mortgage protection insurance

Mortgage Protection Insurance is a Consumer Credit Insurance (CCI) policy designed to meet your loan repayments in the event of Disability or Involuntary Unemployment. The policy will also pay you the amount selected for a Trauma Event occurring to you or to pay the Outstanding Balance of your loan, less any rebate of charges and arrears in monthly repayments, in the event of your death.

You should read the Product Disclosure Statement (PDS) and consider whether this product is right for you. The information provided is of a general nature and does not take into account your personal needs and financial circumstances. You should consider the appropriateness of the advice, having regard to your objectives, financial situation and needs.

This insurance is not compulsory and a credit provider cannot insist upon you taking out a CCI policy as a condition of a loan. You should also be aware that you can effect CCI with the insurer of your choice.

What you should read

To understand the features, benefits and risks of this insurance and to determine if it is appropriate for you, it is important that you read:

- Part B – Policy; in particular:
 - definitions of what we mean by certain words;
 - when you are not covered;
 - what you and we need to do in relation to claims;
 - your and our cancellation rights;
 - when your policy ends;
- the Policy Schedule (refer to the ‘Words with special meanings’) when it is issued to you; and
- any other documents we may give you which vary our standard terms of cover set out in this document.

These documents should be read carefully together. It is important that they are kept in a safe place.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else whom you want to be covered by the policy.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the policy as never having worked.

If you require assistance or have any questions regarding a claim, please contact us on 1300 133 024.

You must assist us

Before we will pay anything under this policy, you must have complied with all the requirements of this Section and provided us with all information and assistance that we have requested.

False or misleading information

We may deny part or all of your claim if you are not truthful and frank in any statement you make in connection with a claim, or if the claim is fraudulent or false in any respect.
